

Dear Friend,

In the fall of 2001 I was told that I may **never walk again**. I am so grateful for the wonderful doctors and technology that have given me my life back. Others are not as fortunate. After my injury I researched different charities dedicated to spinal cord research. As an avid surfer, I was particularly interested in the Life Rolls On Foundation (www.liferollson.org). Life Rolls On (LRO) is a non-profit 501(c)3 Foundation that exists to be a grassroots resource and an advocate on behalf of young people who have sustained a spinal cord injury (SCI). Their tagline, "Instilling in people that life with SCI does indeed roll on."

In July of 2005, a group of friends from Cape May headed out to Malibu, California to participate in the 7th annual golf tournament that raised over \$170,000 for the Life Rolls On Foundation. Our foursome finished in 2nd place out of a stellar field of 36 groups. We had so much fun, for such a great cause, we decided to host our own golf tournament on the East Coast to benefit LRO. It is planned for September 30, 2006 to be held at Cape May National Golf Club, which is also the five-year anniversary of my injury.

I hope that you are able to help us by sponsoring a hole, making a donation, or by participating in the golf tournament. Thank you for your continued support and we look forward to speaking with you soon.

Sincerely,

Chad de Satnick
